Memo No: HFW-18043/26/2021-NHM/NVHCP/47

Date: 30.01.23

To

The General Secretary,
Sonarpur Moonlight Foundation.

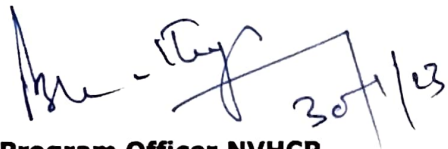

Sub: Permission for Viral Hepatitis Screening, Linkage, and Treatment of HRGs covered under the Sonarpur Moonlight Foundation

In reference to your letter dated January 13, 2023, viral hepatitis screening, counseling, and linking to treatment for high-risk populations, especially female sex workers, the transgender community, rickshaw and van pullers, truck drivers, etc. covered under the Sonarpur Moonlight Foundation, may be done on a regular basis.

Kits required for the screening test may be collected from the School of Tropical Medicine with prior approval from the State Headquarter of NVHCP.

A line list of non-sero-reactive cases and a line list of sero-reactive cases should be sent separately to wbnvhcp.reports@gmail.com within the 5th of every month.

Format of screening line list is attached as excel sheet in the mail.

State Program Officer, NVHCP
West Bengal
